**PETITION UNDER 37 C.F.R. § 1.181(a)**  
**TO WITHDRAW HOLDING OF ABANDONMENT**

This Petition is being filed in response to the Notice of Abandonment mailed on November 11, 2005 (Exhibit 1). The Notice states that the above-referenced application has been abandoned for failure to timely pay the issue fee and publication fee. In view of the remarks set forth below, Applicants respectfully request withdrawal of the Notice of Abandonment.

On September 8, 2005, Applicants submitted the Transmittal Letter for Submission of Issue Fee and Part-B Fee(s) Transmittal authorizing the Director to charge the required issue and publication fees for the above-referenced application (Exhibit 2). A postcard evidencing the mailing of these documents was stamped by the Patent Office as received on September 19, 2005 (Exhibit 3).

In view of these facts, a proper reply to the Notice of Allowance mailed on June 8, 2005 was filed in a timely manner, so the above-referenced application was not abandoned and should not now be considered abandoned. Accordingly, it is respectfully requested that the attached documents be

accepted and entered into the file for the above-referenced application. It is further respectfully requested that the Commissioner withdraw the Notice of Abandonment and reinstate the application.

It is not believed that any fees are required for filing this Petition due to the mistake being on the part of the Patent Office. However, the Commissioner is authorized to charge Deposit Account No. 13-3092; Order No. MICS:0078-2 (01-0752.02) for any fees which may be required.

Respectfully submitted,
